Dear Governor Malloy,

My name is [REDACTED] and I am a fourth grade student at the [REDACTED] School in [REDACTED]. This year we are studying the regions of the United States of America. As part of our unit of study, each spring our school has a "State Fair", where the fifty states are showcased and presented. I was required to select a state on which to conduct in-depth research, and I chose the state of Connecticut. This is the reason for my letter.

I am writing to request some information and travel brochures on your great state. I am hoping you will be able to provide me with this information, so that I can use it in my written and visual reports. Someday, I hope I'll have the chance to visit your state, but for now, I would be happy to receive any printed information you could provide.

Thank you in advance for your time and assistance. I look forward to receiving information from you very soon.

Sincerely,
[REDACTED]
