Governor [REDACTED] Malloy,

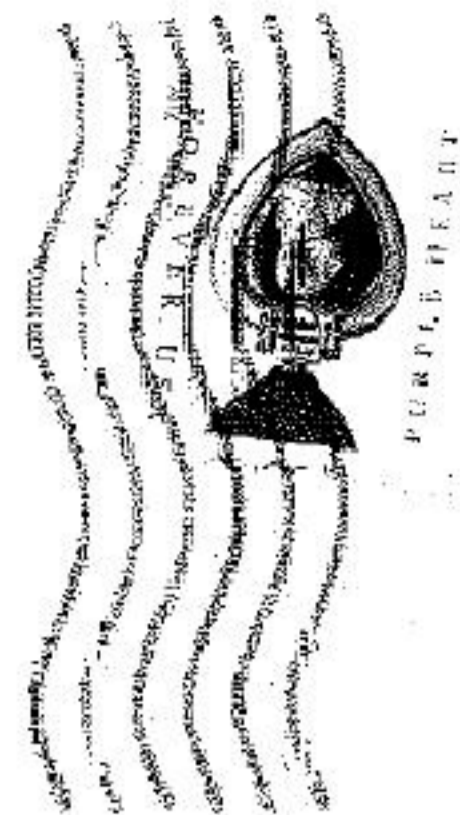

How are you? My name is [REDACTED]. I am from [REDACTED] School in [REDACTED], [REDACTED]. My reading class has been working on a project that requires us to summarize information in brochure format. We chose to make travel brochure for different states to accomplish this. On that matter I have a list of questions that would greatly help me on my project.

What city would you suggest a person to in if they were going to move to Connecticut? And why? On the reach that I've done the facts have told that [REDACTED] has some really fantastic school and everyone knows that's one of the things that really counts. What school would you enroll your own children in your state if you could pick what's some of the big career trends in your state? As a middle school student what advice can you give me that can help me succeed at education and personal endeavors?

I would like to thank you for taking the time to read my letter. I hope to hear from you in the near future.

Sincerely,

[REDACTED]
