Dear Mr. Dannel Malloy,

Hi my name is [Redacted] and my class is doing a project in [Redacted] on states. When we drew I got your state. Plus I have a few questions on your state.

- (1) How old is your state?
- (2) Where did you get your states name?
- (3) Whats your states population?
- (4) Do you have any famous people from your state.
- (5) What is your states flower, motto, and tree?
- (6) What is your main type of food?

I hope you consider answering my questions. I really look forward to reading your answers.

Thank you,

[Redacted]
