

Dear Governor Mallow,

Hello, My name is [redacted] I am [redacted] years old and I go to [redacted] Elementary. Our county is named after [redacted] Greece and the [redacted] town fair is what we are known for. I don't know much about Connecticut but I do have some questions.

- ① Do you raise many animals?
- ② What is your land like?
- ③ What does your flag look like?
- ④ Have you ever lived on a farm?
- ⑤ What is your favorite sports team?
- ⑥ What was your first job?

I thank you for reading my letter. It would be nice if I would hear back from you. If you would like to visit our town, come to the fair this summer. It has been running 150 years straight!

Sincerely,

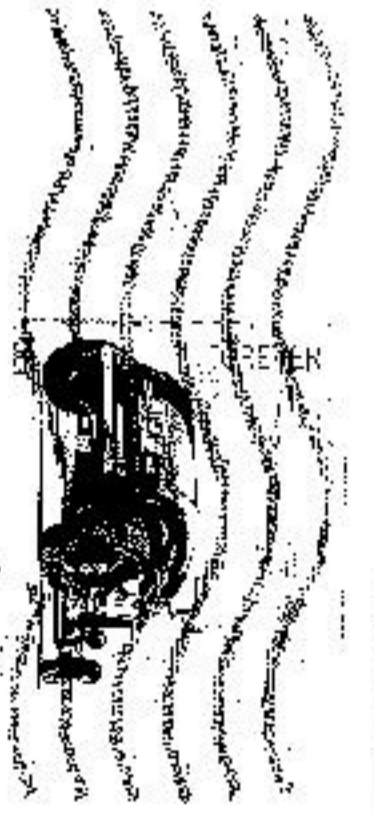

Quincy
