Dear Governor of Connecticut,

Hi! My name is [REDACTED] and
I am a [REDACTED] at [REDACTED]
[REDACTED] School. In my class we
are doing a state report and I wanted
to do it on Connecticut. For my report
I was wondering if you could
answer some questions I have about
Connecticut.

What is your favorite thing about
Connecticut? What is the average temperature
in the summer? Is there any interesting
history? What kind of fruit/vegetables do
you grow there?

Thank you for your time and I hope
you answer my questions

Sincerely,

[Redacted]
