

Dear

[REDACTED]

This is [REDACTED] [REDACTED] and my fourth grade class is having a Great State Race to learn more about our fifty states. If you could share a few interesting facts about your state on a postcard from your state, it would be very helpful. Here is an interesting fact about Nebraska: our state drink is Kool-Aid, because it was first made in our state. Please send the postcard to

[REDACTED] [REDACTED] c/o Our [REDACTED] of [REDACTED] School [REDACTED] [REDACTED] [REDACTED] [REDACTED] [REDACTED]

Thanks,
