Dear Governor [REDACTED] Malloy

I am a fourth grade student at P.H. [REDACTED] Elem- [REDACTED] in [REDACTED] Texas.

We are doing a research project on states. I was lucky enough to draw the wonderful state of Connecticut out of the hat. If possible, could you send your favorite recipe for my state. Along with anything that may help me with my research project or just help me learn about my state?

Sincerely,

[REDACTED] [REDACTED]
