

Dear *Governor Malloy*,

Our [redacted] grade students at [redacted] School have completed a writing unit called "Changing the World: Persuasive speeches, petitions, and editorials." Students worked in collaborative groups to support various causes. Enclosed is a letter that showcases some work and growth as writers. We know how much you already do to support these causes, so do not feel as though you are obligated to respond. If you choose to, the students will enjoy receiving and reading your letters.

Sincerely,

[redacted] and [redacted]

Dear Governor Malloy,

Do you ever walk ■ garbage on the floor? People just litter because they are lazy and don't want to walk to the garbage can. Littering is bad because it hurts the earth. Many people have to pay taxes because all the people litter. We can help ■ telling people to stop littering. Tell fairs to make it litter free!

Dear Governor Malloy,

**I'm writing about bullying and I think
it's not nice! Bullying can hurt other people.
Sometimes I wonder have you been bullied
before? I know I have.**

**bullying hurts my heart even when
I see someone else get bullied. Here
are some tips on what I think bullying
is and means. . .**

Bullying can be dangerous.

Bullies can not fill a bucket.

Bullies can hurt people.

Bullies can be bossy and being bossy is not nice.

Bullying NEEDS TO STOP!
