Dear Governor Malloy,

I am writing on behalf of my first period American Government [REDACTED] at [REDACTED] and [REDACTED] Center(C-TEC) in [REDACTED] Ohio. We have Mrs. [REDACTED] as our [REDACTED] she has us follow current events closely as a way to make American Government lessons more meaningful to us. Mrs. [REDACTED] always asks us to take what we are learning another step to help in developing a real world understanding of current issues. She is always talking about all the different states, especially when teaching about Federalism. This is why we are asking the governors of all the states to send us your "mug"!

Mrs. [REDACTED] first period [REDACTED] would like to be able to thank [REDACTED] for teaching and caring about us. At one point of time she had a coffee mug [REDACTED] state, but when [REDACTED] created a [REDACTED] part of the building, a few years ago, she had to move to the [REDACTED] part and in the move almost all [REDACTED] coffee mugs were either lost or broke. So we thought it would be nice to try to get [REDACTED] a [REDACTED] coffee mug [REDACTED] state.

We are asking that you to send a unique coffee mug that represents your state for Mrs. [REDACTED]. Having a variety of mugs [REDACTED] different places would make for great discussion. Also, one of Mrs. [REDACTED] goals is for all of us to explore the world around us, first by learning about it, and then by traveling around the world and even be able to apply what we have learned. We would really appreciate your contribution.

If this is possible, please send the mug to [REDACTED] [REDACTED] [REDACTED] [REDACTED] [REDACTED] [REDACTED] [REDACTED] [REDACTED] 43055. If you have any questions, you may e-mail us in care of [REDACTED] [REDACTED] at [REDACTED] [REDACTED] or Mrs. [REDACTED] [REDACTED] [REDACTED] [REDACTED] msnow@c-tec.edu. [REDACTED] the school year is about to end!
