Dear Gov. Malloy:

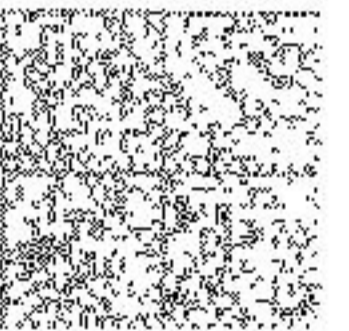

I am a teacher [Redacted] at [Redacted]
[Redacted] in [Redacted] CT.
I am proud to say that we are making
a workbook using our favorite people
and one from each corner of our
pretty state. [Redacted] chose you and the
great state of Connecticut. We will
give these and we give for state
help. [Redacted] our [Redacted] for
workbook will be extra special
because of it.

I would also love to receive a
packet of information about Connecticut
because we will be writing a
report about each state we have
chosen. It will be really fun to
get mail from you!
Sincerely, [Redacted]
