## AN ACT CONCERNING RELIEF TO TOWNS FOR UNEMPLOYED PERSONS

Be it enacted by the Senate and House of Representatives in General Assembly convened:

Section 17-86a of the 1969 supplement to the general statutes is repealed and the following is substituted in lieu thereof: (a) For the purposes of this part, the term "dependent child" shall, notwithstanding the provisions of section 17-82, include a needy child under the age of ((eighteen)) nineteen, or who attains the age of ((eighteen)) nineteen during a school year, (1) who has been deprived of parental support or care by reason of the partial or total unemployment of a parent and who is living with any of the relatives specified in said section 17-82 in a place of residence maintained by one or more of such relatives as his or their own home or (2) who has been removed from the home of a relative specified in said section 17-82 by judicial determination that continuation in such home would be contrary to the welfare of such child, who has been placed in a foster home licensed or approved by the state welfare commissioner and who received aid under the provisions of this part in the month in which such court proceedings were initiated. (b) Aid to children under subsection (a) of this section shall termi-

nate at such date as the matching federal program therefor under the Social Security Act terminates.

STATEMENT OF PURPOSE: To return administration of the aid to families of unemployed parents program to the State, as was the case prior to the passage of Public Act 730 (the Omnibus Welfare Act) in the 1969 Session. If enacted, the Federal Government will now pay 50% of the cost, Connecticut 50%, rather than Connecticut 75%, towns 25% as under P.A. 730, thus saving the State of Connecticut and the towns of the State several million dollars in the coming biennium.
